

# Everyone can be part of Graduation 2020

## Host a Cloud Screen™ Virtual Live Event

- Host your graduation, performance or other live event across town or around the world
- Create a multimedia onscreen experience that combines live video and prepared content
- Share your event with students, parents, and deployed friends and family
- Access from any browser device – no downloads or registration required
- Watch anytime – available post-event, anytime

**Your seniors deserve a graduation they will remember! We can help!**
